July 4th and Mundo De Fe Christian Church

What a great day! Our summer celebration was so enjoyable with our sister congregation, Mundo De Fe Christian Church. As many of you know MDF, uses the LRC building on Sunday afternoons, Tuesday nights (worship practice) and Wednesday nights (Mid-Week Assembly). They pay a nominal amount of rent and love using this facility. They are very happy to be using our resources to help grow the Kingdom of God through their church.

I am thankful for the warm reception that MDF received during our worship assembly, fellowship meal, and water party for the kids. You guys really made them feel welcome. I think that God is honored when brothers and sisters in Christ from different cultures treat each other respectfully. Thanks to all the house churches that served in several different roles during the summer celebration. We hope to have other gatherings with our sister congregation MDF in the coming months. Let us also commit to pray for MDF as they minister the gospel of Christ in our community.

Life Together is Good

Our theme this summer is Life is Good. (Great looking T-shirts by the way!) Michelle and I had the chance last week to get away on a week of vacation. We went to Branson/Silver Dollar City and the Buffalo River area in North AR. The time away gave me a pause to be thankful for this church family. How blessed we are to have been here for so long! You guys have seen our children born and grow older! I actually had brown hair when I started here and now it is mostly gray! Our life with you has been good. As we talked about last Sunday, my heart goes out to Nancy and Jeff Chandler as they journey with Nancy's illness of ALS. Nancy and Jeff were some of the first people we met at LRC and have been such a blessing to us. My hope is that we all continue to pray and support Jeff and Nancy as they need us. Michelle and I received LRC's love and support for many years and are thankful to be a part of a loving church family. Our life together is good and may God continue our ministry together for many years.

Love, Lynn

David O. Dodd Elementary

"Every Child, Every Day – Whatever It Takes"

“Back To School”

School Supply Drive

June 13 to August 8

Last year we collected school supplies and uniforms for David O. Dodd Elementary. The administration and teachers were so thankful to you for helping provide these items for their children. Dodd works with many families that live in poverty. Two people have already donated money to provide 5000 pencils and 160 back packs each with the Little Rock Church name and/or logo on them. Our goal at Little Rock Church is to fill the backpacks with supplies and uniforms for those who can't afford them. A list of needed items is included on page 4 of our newsletter. Let's give these children every opportunity for success. Boxes will be in the foyer each Sunday for you to deposit your supplies.

FYI Staples Office Supply is having their back-to-school sale this week!

Summer on the Rock update

Summer on the Rock is going great! Children in grades K-6 are exploring virtues that help us live the good life. We began the summer discussing **generosity** – making someone's day by giving something away. As part of the summer experience the children have been collecting spare change for a ministry called Rice Bowls. To date, they have collected almost enough change to feed 2 children for one month. Approximately \$30 provides food for one child for a month.

We are in the second week of our second virtue, **hope**. Hope is believing that something good will come from something bad. This week's main point is: whatever happens, remember how powerful God is. Take some time to go over the fridge door card with your children at lunch today or some other time this week.

Leading the next generation to become fully-devoted followers of Jesus.
