Mundo De Fe Christian Church

Many of you know that LRC is renting our space to a Hispanic congregation on Sunday afternoons. The group has also been using the building on Thursday evenings. Beginning on Wednesday, May 19 Mundo de Fe will use the LRC building on Wednesday evenings. (Our worship team will practice on Thursday nights. More coming from Trey!) Please make sure that you check with the church office if you have a house church function at the building on Wednesday evenings. Our building is being used so much by community groups as well as Mundo de Fe. Dave coordinates our calendar so please check with him about availability and reserve the space if you plan to use any part of the church campus so that we don't have two groups wanting the same space.

Michelle and I had the pleasure of having Pastor Sergio Macquil to our home for a meal a few weeks ago. We were honored to get better acquainted with the Mundo de Fe leadership. Mundo de Fe has also provided workers for our Monday evening Food for the Hungry Ministry. We are thankful for their help.

I also attended an event that Mundo de Fe held in the Nichols Ministry Building last Saturday night to celebrate the different Hispanic cultures represented within the church. We had a wonderful time and several LRC families were present to enjoy the party. I am thankful for the hospitality Mundo de Fe has shown toward our church family.

Please pray that our two churches find opportunities to work together in ways that will honor the name of Jesus Christ in Southwest Little Rock.

The speaker shared last Saturday night that in heaven Christians will worship without English or Spanish words hindering our communion with each other and with God. We will join with the angels as they sing praise and worship to God. That will be a wonderful time! Until then, may we honor God by making the realities of heaven, come true on earth. Blessings!

LRC Kids Ministry

Summer on the Rock

You have the opportunity to make a difference in the lives of children this summer. We have many children just waiting for adults to spend the summer with them in a variety of ways. One way is by helping with Summer on the Rock.

Immediately, we need 2-4 people to create posters, banners and signs. We also need a few people to help cook for the kickoff event on June 6. Contact Chad Nall to help.

Our Growing Children's Ministry

Our children's ministry is growing. Sunday Bible classes are larger each quarter. Our nurseries are full. Children's Church has taken off and is outstanding. With this growth comes great opportunity. You have the opportunity to impact the life of a child by teaching or co-teaching a Bible class, helping in our nurseries or in Children's Church.

A Children's ministry our size needs 40-50 people each year. We currently have about 25-30. That means we need your help, especially from parents of children. Parents, this is a terrific opportunity to get to know other children and families. Please talk to Chad Nall or Krissi Fry about ways to help in our children's ministry.
