Church Planting Assessment Hosted by Little Rock Church

22 people are coming from five states to gather at Little Rock Church this week for a church planter assessment hosted by Little Rock Church and provided by Nexus Church Planting Ministry. Nexus church planting ministry will serve as the church planting coach for our 2nd church plant. We hope the 2nd church plant will take place in central Arkansas by the end of the year. (More information coming soon!) The planter assessment we are hosting this week will evaluate four couples for their potential as successful church planters as we look into 15 key areas of strength.

LRC is hosting the event to serve the greater Kingdom and church planting movement in our region. I am thankful for Randy and Vicki Erwin and Mike Cagle for working during the assessment and to all the families that are hosting couples for the week. Please pray for the assessment to be productive and helpful to the Kingdom and for our future church planting efforts.

**Elder Affirmation and Selection Process
Fall 2010**

I wanted to take time today to remind everyone that this is the year (we are on a three year cycle) that we appoint and reappoint elders. We will do this in the fall season beginning in late August. Affirmation Sunday will be October 31, so this will be about a 2 ½ month process.

We always allow the Holy Spirit room and time to guide us in the process of choosing our church pastors/shepherds/elders. We will have a Sunday of teaching on the role and responsibility of a Shepherd on Sunday, August 29. I am also looking for a few people to share testimonies during this season about how their lives have been blessed/enriched by an elder (current or former elders). If you can help, please see me for more information.

May God lead us in the important area of our church life. Begin to pray for God's leading and guidance!

David O. Dodd Elementary

"Every Child, Every Day - Whatever It Takes"

**"Back To School"
School Supply Drive
June 13 to August 8**

Last year we collected school supplies and uniforms for David O. Dodd Elementary. The administration and teachers were so thankful to you for helping provide these items for their children. Dodd works with many families that live in poverty. Two people have already donated money to provide 5000 pencils and 160 backpacks each with the Little Rock Church name and/or logo on them. Our goal at Little Rock Church is to fill the backpacks with supplies and uniforms for those who can't afford them. A list of needed items is included on page 4 of our newsletter. Let's give these children every opportunity for success. Boxes will be in the foyer each Sunday for you to deposit your supplies.

Calling 7-12th graders to become more like Jesus for the sake of others.

Whatever happens, remember what Jesus did for you.

Hope is believing something good can come out of something bad. God's plan for humankind is hope in action. Today, in Summer on the Rock, children learned that hope comes from remembering what Jesus did for us by dying on the cross. Specifically, children learned about the last supper, so this morning during communion, take just a moment to remind your children of the hope Jesus gives us.

This month's memory verse: "And we know that in all things God works for the good of those who love him."
Romans 8:28

Next week's lesson: My Father's House (John 14:1-11)

Leading the next generation to become fully-devoted followers of Jesus.
